

PRODUCT SAFETY DATA SHEET

1. a. Product Name:	LAB M - Cefoperazone, Amphotericin - for Campylobacter Agar
b. Product Code:	X112
c. Product Formulation:	Cefoperazone and Amphotericin in an inert carrier.
2. Hazard Identification:	
Symbol:	None required
Phrases:	None required.
3. Transport Information:	none required.
4. Regulatory Information:	See CHIP Regulations 1993.
5. Physical & Chemical Properties:	
a. Physical Description:	Lyophilised white/off-white crystalline pellet.
b. Chemical Properties:	Soluble in water.
6. Fire Fighting Measures:	Use water spray, CO ₂ , foam or dry powder as the extinguisher medium. Antibiotics may decompose on heating to give toxic fumes, e.g. SO _x and NO _x .
7. Health Hazards:	This product is for laboratory use only and should not be taken internally. It is essentially non-hazardous when used as directed. Antibiotics may cause allergic reactions in certain susceptible individuals. Dust may irritate eyes and respiratory tract. Ingestion of large amounts may cause vomiting, headaches, convulsions, nausea and dizziness. Side effects may include elevation of liver enzymes, nephritis and haematological disturbances. Cefaperazone is classified as Xn - harmful if swallowed and Amphotericin is classed as toxic. They are present in the mixture at less than 1% hence requires no hazard labelling according to CHIP.
Toxicological Information:	None known.
8. First Aid:	
a. Eyes	Rinse eyes immediately with water for 10 to 15 minutes with eyelids open. Seek medical advice.
b. Ingestion	Wash mouth out with plenty of water and seek medical advice.
c. Skin Contact:	Wash skin thoroughly with soap and water. In the event of redness or itching seek medical advice.
d. Inhalation:	Remove subject from area of exposure. Seek medical advice.

9. Stability & Reactivity:	Essentially stable and non-reactive.
10. Accidental Release/ Spillage Measures:	Wear appropriate protective clothing. For small amounts wash to drain with plenty of water. For large amounts sweep or vacuum up into a container and arrange for disposal.
11. Disposal:	Dispose of small amounts via the drain (local authorities may have limits for harmful substances). For large amounts dispose of by incineration or use an authorised disposal tip.
12. Exposure Control and Personal Protection:	Wear protective gloves if handling the product directly. Do not breathe dust, allow contact on skin or swallow.
13. Ecological Information:	None implemented.
14. Storage & Handling:	Store at 2 to 8°C in a dry atmosphere and in the sealed container provided.
15. Other Information:	Compiled with information from Martindale - The Extra Pharmacopoeia, suppliers safety data sheets and Sigma/Aldrich/Fluka database.
